1. Job Descriptions

Roles and Responsibilities of Associate Vice President (AVP)

Common Roles and Responsibilities:

- Work closely with the Mission Director/Chief Executive Officer of TANSIM, senior leadership within the organisation and officials/colleagues in various Government

departments to develop strategies and deliver according to the dynamically changing Work Plan.

- Lead and manage multi-disciplinary teams and work on cross-functional engagements within TANSIM and across line departments in the Government in implementing programs and initiatives to achieve the core as well as allied project objectives.
- Establish and maintain relationships with key stakeholders in the State, nationally and globally, which can be leveraged by TANSIM, startups and other relevant departments for supporting TANSIM's activities.
- Successfully implement all the relevant schemes and programs announced by the Government towards the development and strengthening of the Startup Ecosystem in the State.
- Design, implement, foresee, analyse and continuously improve schemes and programs. Analyse policy support and build systems for continuous process improvement to support the changing climate and ensure smooth work flow from time-to-time.
- Staying abreast of developments in the Startup landscape, opportunities for expansion, partners, markets, new industry developments and standards. Alertness on any opportunities that the organisation can leverage and pursue for its advantage.
- Benchmark key national as well as global policy initiatives and work towards drawing the best practices with the objective of strengthening the policies and plans of TANSIM.
- Prepare sectoral and thematic reports for supporting data driven decisions. Arrive at meaningful insights of the data generated and monitor progress of key stakeholders.
- Identify key issues faced by startups from different sectors and build sector specific support frameworks along with the concerned departments for speedy redressal of the issues.
- Lead, guide, direct and evaluate the work of respective units/departments of the organisation in order to make seamless integration of multiple projects that may be running simultaneously.

- Directly and indirectly manage staff with the goal of enhancing professional development and personal growth. Form and lead internal teams, provide training and mentorship as needed.
- Exhibit and encourage an intensive intrapreneurial culture with passion and commitment towards making Tamil Nadu a global hub for entrepreneurial excellence.

Specific Roles and Responsibilities of Associate Vice Presidents (AVPs)

AVP - Acceleration Initiatives

- Identifying potential sectors/sub-sectors for designing accelerator programs.
- Coordinating with onboarded partner organisations, co-creating programs and supporting partner activities.
- Systematically improving the in-house capacities in running high quality accelerator programs.
- Continuously onboarding world class resource persons and mentors who may be aptly utilised in different accelerator programs.
- Carrying out research in different types of accelerator programs run by various organisations across the world and drawing their best practices.
- Devising systems to measure tangible outcomes through the programs run by TANSIM.
- Connecting appropriate mentors and investors to the cohort members.
- Focussing on evaluating the scaling success ratio.
- Coordinating with other project heads for maximising results.
- Willingness to learn other verticals under TANSIM and to accept and adopt changes in a fast phase.
- Experience in designing/managing accelerator programs will be a preferred qualification.

AVP - Chennai Hub

- Chennai accounts for the largest contribution in terms of the number of startups and in fundraising in Tamil Nadu. Providing the required support system to make the city No 1 in the country by increasing the number of new startups and investments will be the key responsibility.

- Interacting with various internal and external stakeholders for effective implementation of various programmes.
- Coordinating with the Project Management Unit on issues/hurdles for the successful implementation of plans and sustained progression.
- Tracking all the programmes that have been initiated and assessing the status of events/ workshops/ idea contests/ innovation challenges/ regional events/ mentor rating events/ discussion forum/ hackathons, etc.
- Exploring all options of project penetration/ concept penetration through colleges and educational institutions in the Chennai region.
- Building strong relationships with ecosystem partners and enabling them to perform well with the objective of achieving the overall targets.
- Clearly defining sales plans to achieve the numbers.
- Experience in professional Sales Management in a Startup company will be an added advantage.

AVP – Market Access Initiatives

- Responsible for the Government and corporate access portal for reverse pitching and open innovation, thereby allowing startups to be aware of the business opportunities offered by Government and the private sectors.
- End-to-end conceptualization of various events for TANSIM in collaboration with Startups/ Government/ Investor community/ Incubators/ Accelerators and other relevant stakeholders. Create and execute conclaves to facilitate interaction for sectoral specific/ industry specific market access.
- Working closely with the startups in Tamil Nadu and to support them with respect to providing key introductions, connections and other strategic marketing related advice.
- Actively participating in startup community events for identifying high potential startups and helping build personal relationships with the right influencers.
- Planning and implementing corporate startup connect programs by organising and executing pitch sessions and other events that bring visibility to startups across sectors.

- Designing and implementing innovative market access programs for different sectors and regions. Closely working with the Regional Startup Hubs in achieving their targets.
- Prior experience in Marketing/Event Management/PR agencies preferred. Creative conceptualisation and relationship building will be an added advantage.

AVP - Partnerships & Alliances

- Building strong and long relationships with various stakeholders of the ecosystem.
- Having clear understanding of mutual expectations with clarity in partnering conversations and agreements.
- Sourcing new partners and executing partnership solutions for TANSIM and Startups.
- Due diligence in verifying capabilities of the partnership engagements and ensuring non-violation of any organisational norms.
- Negotiating attractive partnership deals for startups from ecosystem partners and ensuring mutually beneficial partnership terms.
- Developing metrics to measure outcomes from partnerships.
- Ensuring that partnerships related information is disseminated to startups and to track the usability of the same.
- Seamless and intensive coordination with all the internal departments in ensuring the partnership benefits respective projects and its beneficiaries.
